REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Canterbury:

I herewith submit my first report as superintendent of your schools.

The reorganization of many of the supervisory unions of the state, due to a further reduction in the number of school superintendents, resulted in removing Canterbury from the Penacook Union of which it had been a part for many years and placing it in the Tilton-Northfield Union. I realize that this was not your choosing and I appreciate the excellent spirit in which you have met the new situation.

The Tilton-Northfield Union is now made up of Tilton-Northfield, Belmont, Canterbury, Gilford and Gilmanton. You may know that the towns of Tilton and Northfield are united into one school district. There are in our Union forty-five teachers and about eleven hundred fifty school children.

During the school year ending June 30 last, there were registered in the five Canterbury schools 101 different pupils, the average membership was 85, the percent of attendance was 89, and the number of tardinesses was 377. The percent of attendance seems to me too low and the number of tardinesses too high.

At this writing there are enrolled in our schools 82 pupils. The Center school with an enrollment of 25 pupils is our largest school and the Blanchard with 11 pupils is our smallest.

There have been two changes in our teaching force within the past year. In September Miss Catherine E. Curran of Franklin replaced Mrs. Esther Woodward Goodwin at the Carter school. Miss Curran is a graduate of Plymouth Normal School and had taught two years previous to coming to Canterbury. Miss Kathleen A. Deg-

nan, who had taught at the Blanchard School for several years, resigned in December to accept a position in the Concord School System. We were sorry to lose Miss Degnan but were fortunate in securing Miss Helen L. McCarthy, a graduate of the Concord Training School, to fill the vacancy.

There are twenty-five Canterbury children attending high school, fifteen at Penacook, nine at Concord and one at Henniker. The last school meeting authorized the school board to pay not more than $90 per pupil for high school tuition, an amount somewhat in excess of the liability charge under the law. At that time the rate at Concord was $90 per pupil. This year Concord is charging $100 per pupil and, as a result, the individual parent becomes responsible for $10 of the tuition charge. The high school tuition charge at Penacook is $73.82 per pupil.

The following table makes possible a comparison of the School Board's Estimate for 1935-1936 with their estimate of 1934-35:

			1934-35	1935-36
Support of Elem. Schools			$5,544.43	$5,832.64
Salaries of Dist. Officers			115.00	115.00
Truant Officer and School Census			25.00	25.00
High School Tuition			2,000.00	2,000.00
Superintendent's Salary			149.48	203.52
Per Capita Tax			238.00	262.00
Other Expenses of Administration			75.00	75.00
			$8,146.91	$8,513.16
Income				
State Aid	$1,337.32		$1,699.65	
Estimated Bal.	400.00			
		$1,737.32		$1,699.65
Total to be raised		$6,409.59		$6,813.51

The estimated total expenditures for the coming year are $366.25 more than were estimated for this current year. The increase is largely explained by increased cost of transportation due to an additional route and to an increase of $100 in the estimate for necessary repairs. On the side of the income there is an estimated decrease of $37.67. The amount of state aid will be $362.33 larger but, on the other hand, we can expect no appreciable balance at the close of this current year.

The total recommended to be raised is $403.92 more than last year's recommendation.

The amount of state aid received depends on the amount of the $5 tax, so called, and the expenditures for elementary schools. In order for Canterbury to qualify for state aid this coming year there must be an appropriation of not less than $3,812.07 for the support of Elementary Schools alone which is the amount of the $5 tax.

An attractive school room helps to make a good school. The appearance of the Uplands school room could be greatly improved by redecorating the walls and ceiling and giving the hall similar attention. I would recommend this be done before another school year. I would make the same recommendation for the Blanchard school. The Carter School, next to the largest in enrollment, should have new window shades of a type better adapted for schools than those now in use there.

I wish to express my appreciation of the cooperation and help which both teachers and School Board have given me during the few months I have been your superintendent.

Respectfully submitted,
CHANNING T. SANBORN,
Superintendent of Schools.

February 9, 1935.
